You'll be asked a few questions regarding why you are racing and offered the opportunity to **donate** to help us fund vital research into the children's cancer neuroblastoma.

This disease takes the lives of more children under five than any other cancer.

We automatically create a fundraising page for all our runners in the hope that you will choose to contribute to a world where all children diagnosed with neuroblastoma get the chance to grow up.

If your family or group would like to fundraise under the one Go Fundraise page we can delete the extra accounts. Please contact us on info@run2cure.org.au

Fundraising

Everyone who registers automatically gets a Fundraising Page. Fundraising is however not obligatory but it makes a huge difference to the success of the event. If you raise \$50, you will receive a special Run2Cure collapsible coffee cup and if you raise \$100 you will receive a 50% discount code for a Run2Cure ticket (any distance). Visit <https://run2cure.org.au/fundraise/fundraising-incentives> for details and Terms and conditions.
